Neighborhood recommendation

It happens in every community. When you're looking for a great deal or terrific service, you ask your neighbor, and most times your neighbor knows someone, or about someone who can confidently recommend a local dealer.

That's why it's not surprising that so many local merchants and dealers rely on advertisements in their local Thomson newspaper to attract customers. Because across the country, the local Thomson newspaper is just like a good neighbor. It's packed with news and views that reflect the interests and concerns of the local community, and customers look to it for up-to-date information on what's happening where they live.

For your next sale, feature, or product introduction, make sure you look into advertising in Thomson's local-market newspapers ... and get a neighbor to put in a good word for you.

and After?

Well, *E&P* will continue to be the voice of, for and about newspapers... for as long as there are still newspapers.

And friends, that's a long, long time.
